

Battleground

From The North (via the A19)

- As you come over the bridge over the River Tees, there will be a sliproad signposted 'Middlesbrough'. **DO NOT** take this sliproad, make sure to continue on the A19 southbound instead:

- Continuing on the A19, the road will come down and curve to the right. You will now see a 2nd sliproad, this one signposted as 'S'ton/D'ton/A66'. Leave the A19 and take this sliproad. It will curve quite sharply to the left, so be prepared for that!

- The slip road will continue to curve to the left as it joins the A66. Join the A66, but remain in the left hand lane as you will be coming off again soon. When you see the sliproad for 'Teesside Park/Teesdale', move into this lane to leave the A66:

Battleground

- As you travel along it, the slip road will split, you will need to be in the right hand lanes, signed 'T'dale':

- At the top of the slip road, there are two lanes, both of which are fine. Turn right at these lights, taking you over the bridge.

- Across the bridge, the two lanes will merge into one, and you will then come to a roundabout. Take the first exit, signposted 'Teesdale/University of Durham'. There will be **Battleground** signs at this roundabout:

Battleground

- Stay on this road, travelling with open ground on your right, until you hit a roundabout. You will be taking the 2nd exit at this roundabout, signposted 'University Campus'. There will be **Battleground** signs at this roundabout.

- As you head into the University campus, follow the road down and it will curve to the left:

- And the venue will be visible directly ahead of you, with the car park right in front:

There is a large amount of parking available, but if the car park is full there are several others located in and around the campus. There is also on-road parking available in several areas, including the Campus entrance road shown above.

Thanks for reading, and we hope you enjoy your day!
If there is anything at all we can help with, just let us know.
